Today Ms McGuinness and Ms Smith are encouraging you plan, prepare and cook a healthy dinner of your choice alongside a family member. You have to help your parents to plan (look at recipes), prepare (gather ingredients, prepare vegetables etc), cook (with adult supervision), present (place it appetisingly on a plate) and serve your dinner to your other family members. You should try to give them the full restaurant experience! Please then ask your family members to rate your 'Come Dine with Me' experience out of 10 and take a photo to send to teacher!

Letter to Teacher

Today is your last day as pupils in second class. Happy Holidays! Ms McGuinness and Ms Smith are very proud of you and everything you've accomplished this year. However, we are also quite sad because we will miss you next year as you move onto third class. 😞

SO, we would love if you could write us a letter to tell us how you're doing and what you liked most about second class. What were your favourite moments? What did you enjoy or not enjoy? How have you found lockdown and doing schoolwork at home? Have you discovered any new hobbies? Are you looking forward to going into third class?

Please write your letter, take a photo of it and e-mail it back to us.

It would mean so much to us to hear directly from you and hear your thoughts about second class!
